December Newsletter

This year we will not be able to have our Christmas Program due to Covid restrictions. We are excited to share the Christmas story with you through a video we are putting together. Your children are learning songs and finger plays to help tell the story of our Savior's birth.

**St. Timothy
 Lutheran Church

 Worship

Visit stlhouston.org for more information.

The Star! Movie and Pajama Day

On December 17th your children are invited to wear their pajamas to school! We will enjoy a treat while we watch "The Star," a children's movie about the birth of Jesus told from the animal's perspective.

Class Christmas parties and book exchanges will be held on December 16th.

We ask that families bring a new, wrapped, gender neutral book for this event. Parties will begin at 9:30 with chapel in the Sanctuary. Look for a sign up list on Shutterfly.

Online COVID Screening

Save time by saving the screening to the home screen on your phone. For Apple users, open the screening, tap the share symbol, then tap 'add to home screen.' For Android users, open the screening, tap the three dots at the top right, then tap, 'add to home screen.'

Thank you for partnering with Manantiales de Vida and St. Timothy Lutheran Church to provide Thanksgiving meals to our community. With your help we were able to provide over 125 meals to families for Thanksgiving dinner.

Classroom Spotlight: P6

The children in class P6 have been involved in so many wonderful experiences this year so far, and are always ready for their next academic adventure! On top of all the fun hands-on learning, they have experienced a great deal of social skills while interacting with one another and learning how to manage their emotions and responses in any given situation. They have learned that working positively together creates an opportunity to form exceptional teams during group activities and games, they have learned the importance of encouraging others, self-perseverance and believing in themselves, and they have been positively engaged in the understanding and spreading of God's Great Love! We are excelling daily in our academics, and are constantly readying ourselves for Kindergarten with much needed confidence and loving support for one another! Look out Kindergarten, here we come!

-Mrs. Lanie

During the holiday season we ask that you take precautions to prevent the spread of Covid. If you are exposed to someone who tests positive for Covid and have to quarantine we ask that you keep your child(ren) at home as well. If you are travelling we ask that you closely monitor your symptoms. In the case that you do have any Covid symptoms you will need to notify the school and be tested. We appreciate your transparency and communication as we make every effort to keep our school healthy.
