# November Newsletter

## Thanksgiving Celebration

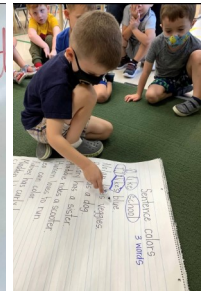

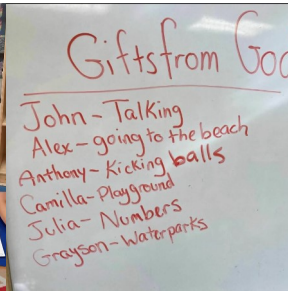

On November 18th we will celebrate Thanksgiving as a school. Look for information from your child's teacher on how your child's class will be celebrating together!

### What is Circle Time?

Each class begins the day with Circle Time. This time looks different at different age levels with short activities for younger age groups, slowly building to more advanced learning objectives in PreK. Circle time is not only for reading books and singing songs. This is a time when teachers can introduce new concepts, create graphs and review the information, teach vocabulary, play interactive learning games, brainstorm topics, etc. Circle time also helps children build their attention span, interact socially in a group and learn to answer questions out loud.

Don't forget to stop by the book fair  
in the Big Room!

11/9-11/12—2:30 - 6 p.m.

11/13—7 a.m.-12 p.m.

small steps nurturing center

For the fifth year in a row we will be supporting at risk children that attend Small Steps Nurturing Center, a preschool in the Fifth Ward of Houston. This year we will collect gifts for 10 of their students so that they can experience the love of Jesus at Christmas time. We are so thankful for your help with this in the past and are looking forward to another year of blessing these families. You will receive a sign up genius email so that you can choose what gift you would like to provide. We will need the gift wrapped and brought to the school by December 6th.

## Classroom Spotlight: P6

The children in class P6 have been involved in many wonderful experiences so far this year and are always ready for their next academic adventure! On top of all the fun hands-on learning, they are developing a great deal of social skills while interacting with one another. They are learning how to manage their emotions and responses in any given situation. They have learned that working positively together creates an opportunity to form exceptional teams during group activities and games. Our students have learned the importance of encouraging others, self-perseverance and believing in themselves. We have also been positively engaged in the understanding and spreading of God's Great Love! We are excelling daily in our academics, and are constantly readying ourselves for Kindergarten with much needed confidence and loving support for one another! Look out Kindergarten, here we come!
